4. ACTION ITEMS

c. Discussion and Possible Action: Water Infrastructure Development Revolving Fund

RECOMMENDED ACTION: Discuss the attached draft resolution submitted to the League of Arizona Cities and Towns by Flagstaff. The League resolution sub-committee has decided to not recommend this resolution due to potential divisiveness it creates between League members. The TAC had recommended NAMWUA support the resolution at the June 20th meeting. Since then, NAMWUA has been informed the League is not recommending it.
